

POSTER SESSION 1:

NEOPLASMS. VARIA.

Exhibition area, 7 May, 09.00 – 12.00 h

Chairperson: Radko Radev (Varna), Secretary: Vessela Uzunova (Sofia)

1. The therapy of the advanced renal cell carcinoma – new agents and strategies

O. Savov,

Urology practice /St. Theresien Hospital, Nuremberg, Teaching Hospital of the University of Erlangen, Germany

2. YKL-40 in Sera of Breast Tumor Patients

M. Kazakova¹, T. Deneva², V. Uzunova³, V. Sarafian^{1*}

Medical University-Plovdiv, Bulgaria; 1 - Department of Medical Biology; 2 - Department of Clinical Laboratory; 3 - Clinic of Thoraco-Abdominal Surgery

3. YKL-40 - a new diagnostic biomarker for benign breast diseases and breast cancer

V.Uzunova (1), G.Paskalev (1), M.Kazakova (3), E.Poryazova (2), K.Murdjev (1), A.Uchikov (1), A.Iankulov (1), V.Sarafian (3), D.Manolova (5), A.Paskaleva (4), B.Hadjiev (1)

Clinic of Thoracic and Abdominal Surgery (1), Department of Common and Clinical Pathology (2), Department of Biology (3), Clinic of Dermatologic and Veneric Diseases (4), Department of Diagnostic Imaging (5)

4. Investigation of some immunohistochemical indicators in benign surgical diseases of the breast

V.Uzunova-1; E.Poryazova-2; G.Paskalev-1; Z.Zapryanov-2; K.Murdjev-1; A.Yankulov-1

1)Clinic of Thoracic and Abdominal Surgery, 2)Department of Common and Clinical Pathology, Medical University – Plovdiv

5. PERITONEAL METASTASES IN COLORECTAL CANCER

Ivanov K., V. Ignatov, N. Kolev, A. Tonev, G. Ivanov

Department of General and Operative Surgery, University Hospital “St. Marina”, Varna, Bulgaria

6. DO WE NEED A CHANGE IN STRATEGY FOR TREATMENT OF IV STAGE COLO-RECTAL CANCER

Kolev N., A. Tonev, K. Ivanov, V. Ignatov, A. Zlatarov

Department of General and Operative Surgery, University Hospital “St. Marina” Varna, Bulgaria

7. A case of encapsulated neuroma

S. Shtilionova*, P.Drumeva, M. Balabanova, I. Krasnaliev

Department of dermatology, Medical University, Varna, Department of pathology, Medical University, Varna, Department of dermatology, Medical University, Sofia

8. Etiology and symptomatology of skin pseudolymphoma

S. Shtilionova*, P.Drumeva, M. Balabanova, I. Krasnaliev

Department of dermatology, Department of pathology, Medical University, Varna, Department of dermatology, Medical University, Sofia

9. Localized form of Lymphomatoid papulosis, evaluating in T-Cell Lymphom.

S. Shtilionova¹, P.Drumeva¹, M. Balabanova³, I. Krasnaliev²

1) Department of dermatology, 2)Department of pathology, Medical University, Varna, 3)Department of dermatology, Medical University, Sofia

10. Possibilities for drug- induced pseudolymphoma

S. Shtilionova*, P.Drumeva, M. Balabanova, I. Krasnaliev

Department of dermatology, Department of pathology - Medical University, Varna, Department of dermatology, Medical University, Sofia

11. Etiology and symptomatology of cutaneous pseudolymphomas

S. Shtilionova*, P. Drumeva, M. Balabanova, I. Krasnaliev

Department of dermatology, Department of pathology, Medical University, Varna, Department of dermatology, Medical University, Sofia

12. Contemporary classification of the cutaneous pseudolymphomas

S. Shtilionova¹, P.Drumeva¹, M. Balabanova³, I. Krasnaliev²

1) Department of dermatology, 2) Department of pathology - Medical University, Varna, 3) Department of dermatology, Medical University, Sofia

13. Our Experience with Topotecan as second- line Treatment of Patients with Relapsed Small Cell Lung Cancer

Deyan Nikolov Davidov,

Department of Chemotherapy, Oncological Center, Medical University, Pleven

14. Capecitabine and Irinotecan as First- line Chemotherapy for Patients with Metastatic Colorectal Cancer

Deyan Nikolov Davidov,

Department of Chemotherapy, Oncological Center, Medical University, Pleven

15. CEREBELLAR MUTISM FOLLOWING POSTERIOR CRANIAL FOSSA SURGERY IN ADULTS- RETROSPECTIVE REVIEW OF THREE YEARS EXPERIENCE.

G. Kyuchukov, I. Kiryakov, R. Nedelko

Saint ANNA Hospital, Clinic of Neurosurgery, Varna, Bulgaria

16. A case of xanthoma tuberoereptium

P. Drumeva¹, S. Shtilionova¹, M. Balabanova , I. Krasnaliev

Department of dermatology, Department of pathology - Medical University – Varna, Department of dermatology – Medical University – Sofia

17. A case of T-cell pseudolymphoma resulting a treatment with D- penicilamin

P. Drumeva, S. Shtilionova, M. Balabanova, I. Krasnaliev

Department of dermatology, Department of pathology, Medical University, Varna, Department of dermatology, Medical University. Sofia

18. A case of Pemphigus foliaceus associated with Thymoma.

I. Krasnaliev, S. Shtilionova, P. Drumeva, M. Balabanova

Department of pathology, Department of dermatology, Medical University, Varna, Department of dermatology, Medical University, Sofia

19. A case of Actinic reticuloid associated with lung cancer.

I. Krasnaliev, S. Shtilionova, P. Drumeva, M. Balabanova

Department of pathology, Department of dermatology, Medical University, Varna, Department of dermatology, Medical University, Sofia

20. Pseudolymphoma cutis in a scabious patient

M. Balabanova, S. Shtilionova, P. Drumeva, I. Krasnaliev

Department of dermatology, Department of pathology, Medical University, Varna, Department of dermatology, Medical University. Sofia

21. A case of posttattoo Pseudolymphoma

M. Balabanova, S. Shtilionova, P. Drumeva, I. Krasnaliev

Department of dermatology, Medical University, Sofia, Department of dermatology, Department of pathology, Medical University, Varna

22. Raeder Paratrigeminal Syndrome in a Patient with a Mass Lesion in the Maxillary Sinus

A. Andreeva, V. Kirkova *, A. Oscar, S. Cherninkova, I. Tournev

Clinic of Neurology, Alexandrovska University Hospital, Sofia, Bulgaria

23. Low Dose Interleukin 2 In Neoplasms - Clinical Application And Immunological Profile

R. Tomova*¹, D. Kyurkchiev², S. Bocheva², I. Altankova², N. Koytcheva³, Z. Krastev¹

1. Clinic of Gastroenterology, 2. Laboratory of Clinical Immunology, University Hospital “St. Ivan Rilski”, Sofia, 3. Department of clinical laboratory and clinical immunology, Medical University, Sofia, Bulgaria

24. Essential Tremor and Frontal Meningioma

Ivanov B., Dimitrov I., Deleva N.

Neurology Department, Medical University, Varna, Bulgaria

25. Parkinsonism and brain tumors

B. Ivanov

Neurology Department, Medical University, Varna, Bulgaria

26. Immune response in malignant glioma

I. Koev*¹, E. Slavov², D. Staykov¹, K. Halacheva², V. Sarafian¹

1) Clinic of Neurosurgery; Department of General and Clinical pathology, Department of Biology; Medical University- Plovdiv, Bulgaria, 2) Trakia University, Department of Molecular Biology, Medical genetics and Immunology, Stara Zagora, Bulgaria

27. Antithrombin III and Plasmiogen - Prognostic Index of Acute Liver Failure

H. Boyadjian

Medical University - Plovdiv, Bulgaria

28. Acerbine Unguentum in the Local Treatment of Palmoplantar Psoriasis

S. Pavlov*, S. Racheva

Department of Dermatology and Venereology, Medical University of Varna, Bulgaria

- 29. Study of the normal ultrastructure of the mesencephalic trigeminal nucleus of the human**
Krastev, D., Krastev, N.
Department of Anatomy, Medical University - Sofia
- 30. Neurochemical and comparative characteristics of mesencephalic trigeminal nucleus in humans and cat**
Krastev, D., Krastev, N.
Department of Anatomy, Medical University - Sofia
- 31. Cytoarchiteutonics of mesencephalic trigeminal nucleus in man**
Krastev, D., Krastev, N.
Department of Anatomy, Medical University - Sofia
- 32. Mesencephalic trigeminal nucleus-sputum cytology counts**
Krastev, D., Krastev, N.
Department of Anatomy, Medical University - Sofia
- 33. Graphical representation of neurons located in trigeminal ganglion in humans and experimental animals.**
Krastev, N., Krastev, D. Apostolov A.
Department of Anatomy, Medical University - Sofia
- 34. Presentation of the lig.suspensorium duodeni in human**
Krastev, N., Krastev, D., Yaramov, N.
Department of Anatomy, Medical University - Sofia
- 35. Light-microscopic structure of lig. suspensorium duodeni**
Krastev, N., Krastev, D., Yaramov, N.
Department of Anatomy, Medical University - Sofia
- 36. NUCLEI PERIAQUEDUCTI GREY - STRUCTURE**
Krastev, N., Krastev, D.
Department of Anatomy, Medical University - Sofia
- 37. Some Psychopathological Peculiarities of Early and Late Onset Alzheimer's Disease**
M. Arnaudova
MHAT "St.Marina"-Varna, Medical University – Varna, Bulgaria
- 38. Depressive Disorders in Epilepsy**
K. Todorova*, M. Arnaudova
MHAT "St. Marina" - Varna, Medical University-Varna, Bulgaria
- 39. Acute intoxications with benzodiazepines**
P. Marinov, S. Zlateva, M. Yovcheva, P. Marinov jr.*, Yu. Sabeva
*Military Medical Academy-Naval Hospital-Varna, EUROHOSPITAL-Varna**
- 40. A new manage in the treatment of chronic urticaria with Desloratadine**
P. Drumeva, S. Shtilionova, M. Balabanova, I. Krasnaliev
Department of dermatology, Department of pathology - Medical University – Varna, Department of dermatology – Medical University – Sofia
- 41. A case of prurigo nodularis associated with Diabetes mellitus**
I. Krasnaliev, S. Shtilionova, P. Drumeva, M. Balabanova
Department of pathology, Department of dermatology – Medical University – Varna, Department of dermatology – Medical University – Sofia
- 42. Therapeutic scheme for treatment of Rosacea with azitromycin.**
M. Balabanova, S. Shtilionova, P.Drumeva
Department of dermatology – Medical University – Sofia, Department of dermatology – Medical University – Varna
- 43. Treatment of plane warts with imiquimod 5% cream**
M. Balabanova, S. Shtilionova, P. Drumeva
Department of dermatology – Medical University – Sofia, Department of dermatology – Medical University – Varna
- 44. Causes of death of the acute intoxications**
P. Marinov, S. Zlateva, M. Yovcheva, P. Marinov jr.*, Yu. Sabeva
*Military Medical Academy-Naval Hospital-Varna, EUROHOSPITAL-Varna**
- 45. Ethanol abstinence-apparent and potential problems.**
Marieta Yovcheva, Snezha Zlateva, Jivka Kerezova, Ekaterina Borisova*, Yulichka Sabeva**
Naval Hospital-Varna, Military Medical Academy-Sofia
- 46. Toxic liver damage caused by narcotics and anabolic steroids**
Snezha Zlateva, Marieta Yovcheva, Petko Marinov, Yulichka Sabeva*

Department of Toxicology, Toxicology Laboratory, Naval Hospital – Varna*

47. Prognosis for Disasters Caused by Accidents in the Region of Varna Bulgaria

Romanova H., Radeva N., Marinova I., Marinov M., Mirtchev K., Bojchev B., Radev R.

Medical University of Varna, "Prof. P. Stoyanov"

48. Meige Syndrome. Report of Two Cases.

Ivanov, B.1, Dimitrov, I.1*, Deleva, N.1, Kokareshkova, Y.2

1 Neurology Department, Medical university, Varna, Bulgaria, 2 Sveta Marina Medical Centre, Varna, Bulgaria

49. Decimeter Wave Therapy in Late Parkinson's Disease

Ivanov, B.1*, Vladeva, E.2, Todorov, I.2, Dimitrov, I.1, Deleva, N.1, Todorov, T.2

1 Department of Neurology, Medical University, Varna, Bulgaria, 2 Department of Physical Therapy, and Professional diseases, Medical University, Varna, Bulgaria

50. Clinical Criteria for Prognosis of the Duration of Hospital Treatment in Cases of Acute Intoxications with Organophosphates

P. Marinov, S. Zlateva, M. Yovcheva, P. Marinov jr.*, Yu. Sabeva

*Military Medical Academy-Naval Hospital-Varna, EUROHOSPITAL-Varna**

51. Clinical Criteria for the Futcome Forecast of Acute Exogenous Intoxications with Organophosphorus Pesticides

P. Marinov, S. Zlateva, M. Yovcheva, P. Marinov jr.*, Yu. Sabeva

*Military Medical Academy-Naval Hospital-Varna, EUROHOSPITAL-Varna**

52. Organochlorine Pesticides and Polychlorinated Biphenyls in Black mussel and Goby from Black sea, Bulgaria

Mona Stancheva, Tomislav Rizov, Lubomir Makedonski*, Stanislava Georgieva

Department of Chemistry, Medical University - Varna, Bulgaria

53. ALCOHOL ABUSE ENHANCES SYSTEMIC INFLAMMATORY RESPONSE IN PATIENTS AFTER SPONTANEOUS INTRACEREBRAL HAEMORRHAGE

M. Danovska¹, M. Alexandrova³, D. Peychinska¹, I. Gencheva²

1) Second Neurology Clinic, 2) Medical-Diagnostic Laboratory, 3) Department of Physics and Biophysics, Medical University, Pleven, Bulgaria

54. Comparison between three laboratory markers - leucocyte's count, CRP and IL-6 blood concentration in intraamniotic infection diagnostics.

A. Masseva, A. Dimitrov

Department of obstetrics and gynaecology, Medical University - Sofia

55. DISSECTION OF CAROTID ARTERY - CASE REPORT

1)S. Andonova, 1)F. Kirov, 2)Ch. Bachvarov, 2)V. Velinov

1)Department of Neurology, Second Clinic of Neurology, 2)Department of Radiology, UMHAT "St. Marina"- Varna, Bulgaria

56. CORRELATIVE NEUROSONOGRAPHIC AND NEUROIMAGING STUDIES IN ASYMPTOMATIC ISCHAEMIC DISTURBANCES OF THE CEREBRAL CIRCULATION AND ARTERIAL HYPERTENSION

1)S. Andonova, 1)D. Mintchev, 2)M. Novakova, 2)R. Georgiev

1)Department of Neurology, Second Clinic of Neurology, 2)Department of Radiology; UMHAT "St. Marina" - Varna, Bulgaria

57. Unilateral proptosis: a diagnostic clinical and neuroimaging challenge

Al. Tzoukeva, A. Kaprelyan, N. Deleva, 1)K. Hristozov, 2)B. Balev.

Department of Neurology, 1)Department of Endocrinology, 2)Department of Radiology; Medical University Prof. Dr. P. Stoyanov, Varna, Bulgaria

58. Comparisson of FDG-PET, morphological neuroimaging and EEG findings in epilepsy

A. Kaprelyan, 1)P. Bochev, N. Deleva, 1)A. Klissarova, S. Geneva.

Department of Neurology, 1)Department of Nuclear Medicine; Medical University Prof. Dr. P. Stoyanov, Varna, Bulgaria

59. Coincidence of anemia with multiple sclerosis: retrospective analysis and literature review.

N. Deleva, Al. Tzoukeva, A. Kaprelyan.

Department of Neurology; Medical University Prof. Dr. P. Stoyanov, Varna, Bulgaria

60. Young Adult Survivors from Childhood Cancer Followed in Children Oncohematology Ambulatory

Shtarbanov, Ivan

SBALDOHZ, Sofia, Bulgaria
